

Petition Submission to the Town Board

Request for Denial of Proposed Lithium-Ion Battery Energy Storage System (BESS)

Proposed Location: 199 Trudeau Road

Town of St. Armand, New York

To: Town of St. Armand Town Board
1702 State Route 3
Bloomingdale, NY 12913

Dear Members of the Town Board,

The attached petition contains signatures from residents, property owners, and community members requesting that the Town Board of the Town of St. Armand DENY approval of the proposed Lithium-Ion Battery Energy Storage System (BESS) project proposed for 199 Trudeau Road.

Petition signers believe that the proposed project raises significant concerns regarding public safety, environmental protection, emergency response capacity in a rural community, compatibility with surrounding land uses, and preservation of the rural character of the Town of St. Armand.

Residents respectfully request that the Town Board carefully consider these concerns during its review of the proposed project and exercise its authority under local land-use regulations and the New York State Environmental Quality Review Act (SEQR) to protect the health, safety, welfare, and environmental integrity of the community by denying approval of this proposed project.
